Colorful and Easy to Stack

Sæplast containers are available in different colors for volume orders.

Ergonomic design and streamlined construction ensure that Sæplast containers can be easily stacked to maximize use of valuable storage space.

Regulatory Compliance

The material used (Polyethylene) fully complies with the regulations of the food industry.

Warranty

All Sæplast brand models are guaranteed to be free of defects in material and workmanship upon delivery.

RPC Sæplast is a world leader in the design and manufacture of rotational-moulded containers for use in all sectors of the food industry. Our full range of Sæplast PE containers and Sæplast PUR containers – as well as pallets – are your product's passport for a safe journey. Whatever the product, the Sæplast lines have the right container to give you peace of mind. When it comes to reliably protecting your products for food safety, there is no safer name to trust than Sæplast.
