

Carts and Buggies

With their strong, double-walled construction, Saeplast wheeled carts and buggies are ideally suited for handling both wet and dry goods. Their sturdy undercarriage construction, nylon wheels, stainless-steel axles and ergonomic handles have been designed for easy manoeuvrability and handling. The capacity of each ranges from 400–1,000 lbs. Each comes available with its own lid. Stainless steel dumping brackets are also available for models MS200 and D300. Standard color is blue.

PUR D360

PUR D301

PE MS200

Optional buggy handle available only for the MS200 buggy
